TYPE	DISCRIPTION
ACCRESK10.001	Chromed towel rail
ACCRESK10.002	Colored towel rail
ACCRESK10.003	Towel rail gilded

The radiators come without a thermostat as standard. In this case, the radiators are intended for localized supplementary heating, towel warming, or as part of a centrally controlled heating system (not included). Optionally, a programmable thermostat can be chosen. In that case, the radiator can be used as the main heating source.
